Great shopping ideas for your custom home project

£5,000

This stylish aluminium door has a fingerprint scanner so you can open it without scrambling for keys. It offers excellent thermal efficiency, with a U-value of 0.67 W/m²K and three seals to keep air leakage low. A flush appearance adds to the thermal performance and provides a sleek look. **Sedor range, £5,000, weru.uk**

£2,125

Virtually maintenance free, this entrance has a powder coated aluminium finish. A slim handle and glazed panels either side give a modern look. Highly insulated to a U-value of 0.71 W/m²K, the unit has a multi-point locking system to keep your home secure. **Euro FunkyFront, from £2,125, kloeber.co.uk**

GOING GREEN ↑

Offering easy installation, this integrated solar PV system comprises three low-profile solar panels to fit with any Marley roof tiles. It's designed to give a sleek, flush appearance. **Marley SolarTile range, from £1,800, marley.co.uk**

STRONG STRUCTURE ↑

Embrace the fabric first approach with these internal woodfibre insulation boards, designed for internal use on retrofit projects. **Pavadry, £POA, soprema.co.uk**

WARM HEARTH →

Take control of your living environment with this stylish gas stove, operated via a remote. Select a heat output and watch the flames rise and fall as they warm your room. **Ecoburn S3 gas stove, £1,399, arada.stoves.com**

KERB APPEAL ↓

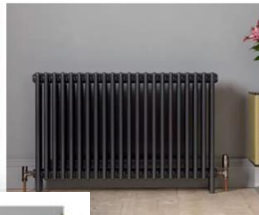

These rumpled blocks add period charm to your driveway. They're designed for use with a permeable sub-base to encourage sustainable rainwater management. **Woburn Rumpled Infilta, from £32 per m², bradstone.com**

3 of the best PERIOD-STYLE RADIATORS

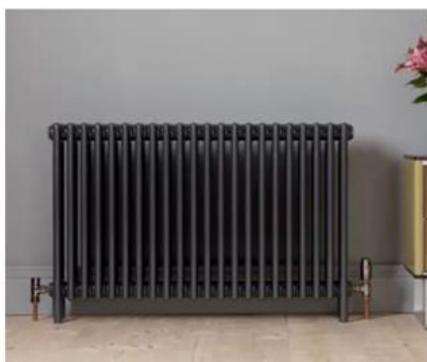

1 **Milano Windsor, £111, bestheating.com**

2 **Classic radiator in anthracite, £458, bisque.co.uk**
