

FOR HIM: THE KNOWLEDGE

AN ESSENTIAL ROUND-UP OF NEED-TO-KNOW NEWS & THE LATEST IN LUXURY LIFESTYLE

Interior Motive

It's time to pay attention to the interior designers creating cool, modern and masculine pieces that are practical and slot into London homes and lifestyles, yet are still investment pieces made with quality craftsmanship. Here are three new UK designers to know about

BISQUE

Bisque is the first company to introduce designer radiators to the UK.

From over-the-top to the eminently sensible, Bisque offers more than 40 styles in endless colours, sizes and finishes, which are as practical or showy as your tastes dictate. For example, the Archibald Towel Radiator, from £649, neatly dries and warms multiple towels while creating a stylish accent for a bathroom without taking up space.
