#### **Product: Acid Pastel**

British designer radiator brand Bisque has launched the Acid Pastel collection, showcasing its latest colour finishes on four of its most popular models. Included in the range is its signature Classic radiator in 'lemon' and the Archibald, by Italian designer Leo Salzedo, in 'rose'. Its energy-efficient Blok radiator is offered in 'steel blue', while the minimal Arteplano model, comes in light green. The brand also offers an exclusive colour-match service to help designers and

consumers find the exact finish.
