OLIVER'S MOOD BOARD
 THIS WEEK... TRANQUILLITY

"THE best way to create a more tranquil interior is to remove strong, busy colours and replace them with a lighter palette scheme such as light blue, white and cream," explains Maurizio Pelizzoni, founder of Maurizio Pelizzoni Ltd (mpelizzoni.co.uk). "Choose cosy and comfortable furniture that's upholstered in linen and use soft lighting."

Calligaris Lazy Chair
 The lazy lives up to its name - it is a chair you sit in rather than on, wrapping you up in a cocoon of cosiness. £150, calligaris.com

Bisque Classic Radiator
 Not only will this radiator heat your home, its cool blue hue helps create a soothing, tranquil atmosphere. From £366, bisque.co.uk

Koppel Wall Clock
 If you really must clock watch, you might as well do it with this cool, undecorated (and design) £260, koppel.com

Wire-free power blinds
 OPERATING blinds one-by-one is a hassle. Ultra Wire-Free Power Blinds are controlled at the touch of a button and a discreet powerpack means they can be hidden away.
