

Make a splash: how to turn a dated bathroom into a modern shower room

We reveal how to transform a bathroom into a cool shower space

A generously sized heated towel rail is desirable. Stainless steel is smart and easy to look after. Bisque has a knack for making essential household items cool. Pick the refined PERA option (£550; bisque.co.uk) and team it with a matching polished Serenity extractor fan (£217; bisque.co.uk) which can be wall or ceiling mounted.
