The brands 2013/14

Introducing some of the members of Britain's coolest club – the 2013/14 CoolBrands® – presenting a taster of the qualities that make them cool: style, innovation, originality, authenticity, desirability and uniqueness.

Bisque

Founded more than 30 years ago, Bisque revolutionised the radiator market with its stylish and innovative designs, ranging from seductive statement pieces to discreet minimalist models. Good design and quality remain paramount and Bisque works closely with designers and manufacturers to ensure its products are the very best. Whether for contemporary or traditional interiors, it continues to lead the way, recently introducing several super-stylish energy-efficient ranges.
